**AGAPI**  
—  
BOAT CLUB

## Why Agapi PayGo

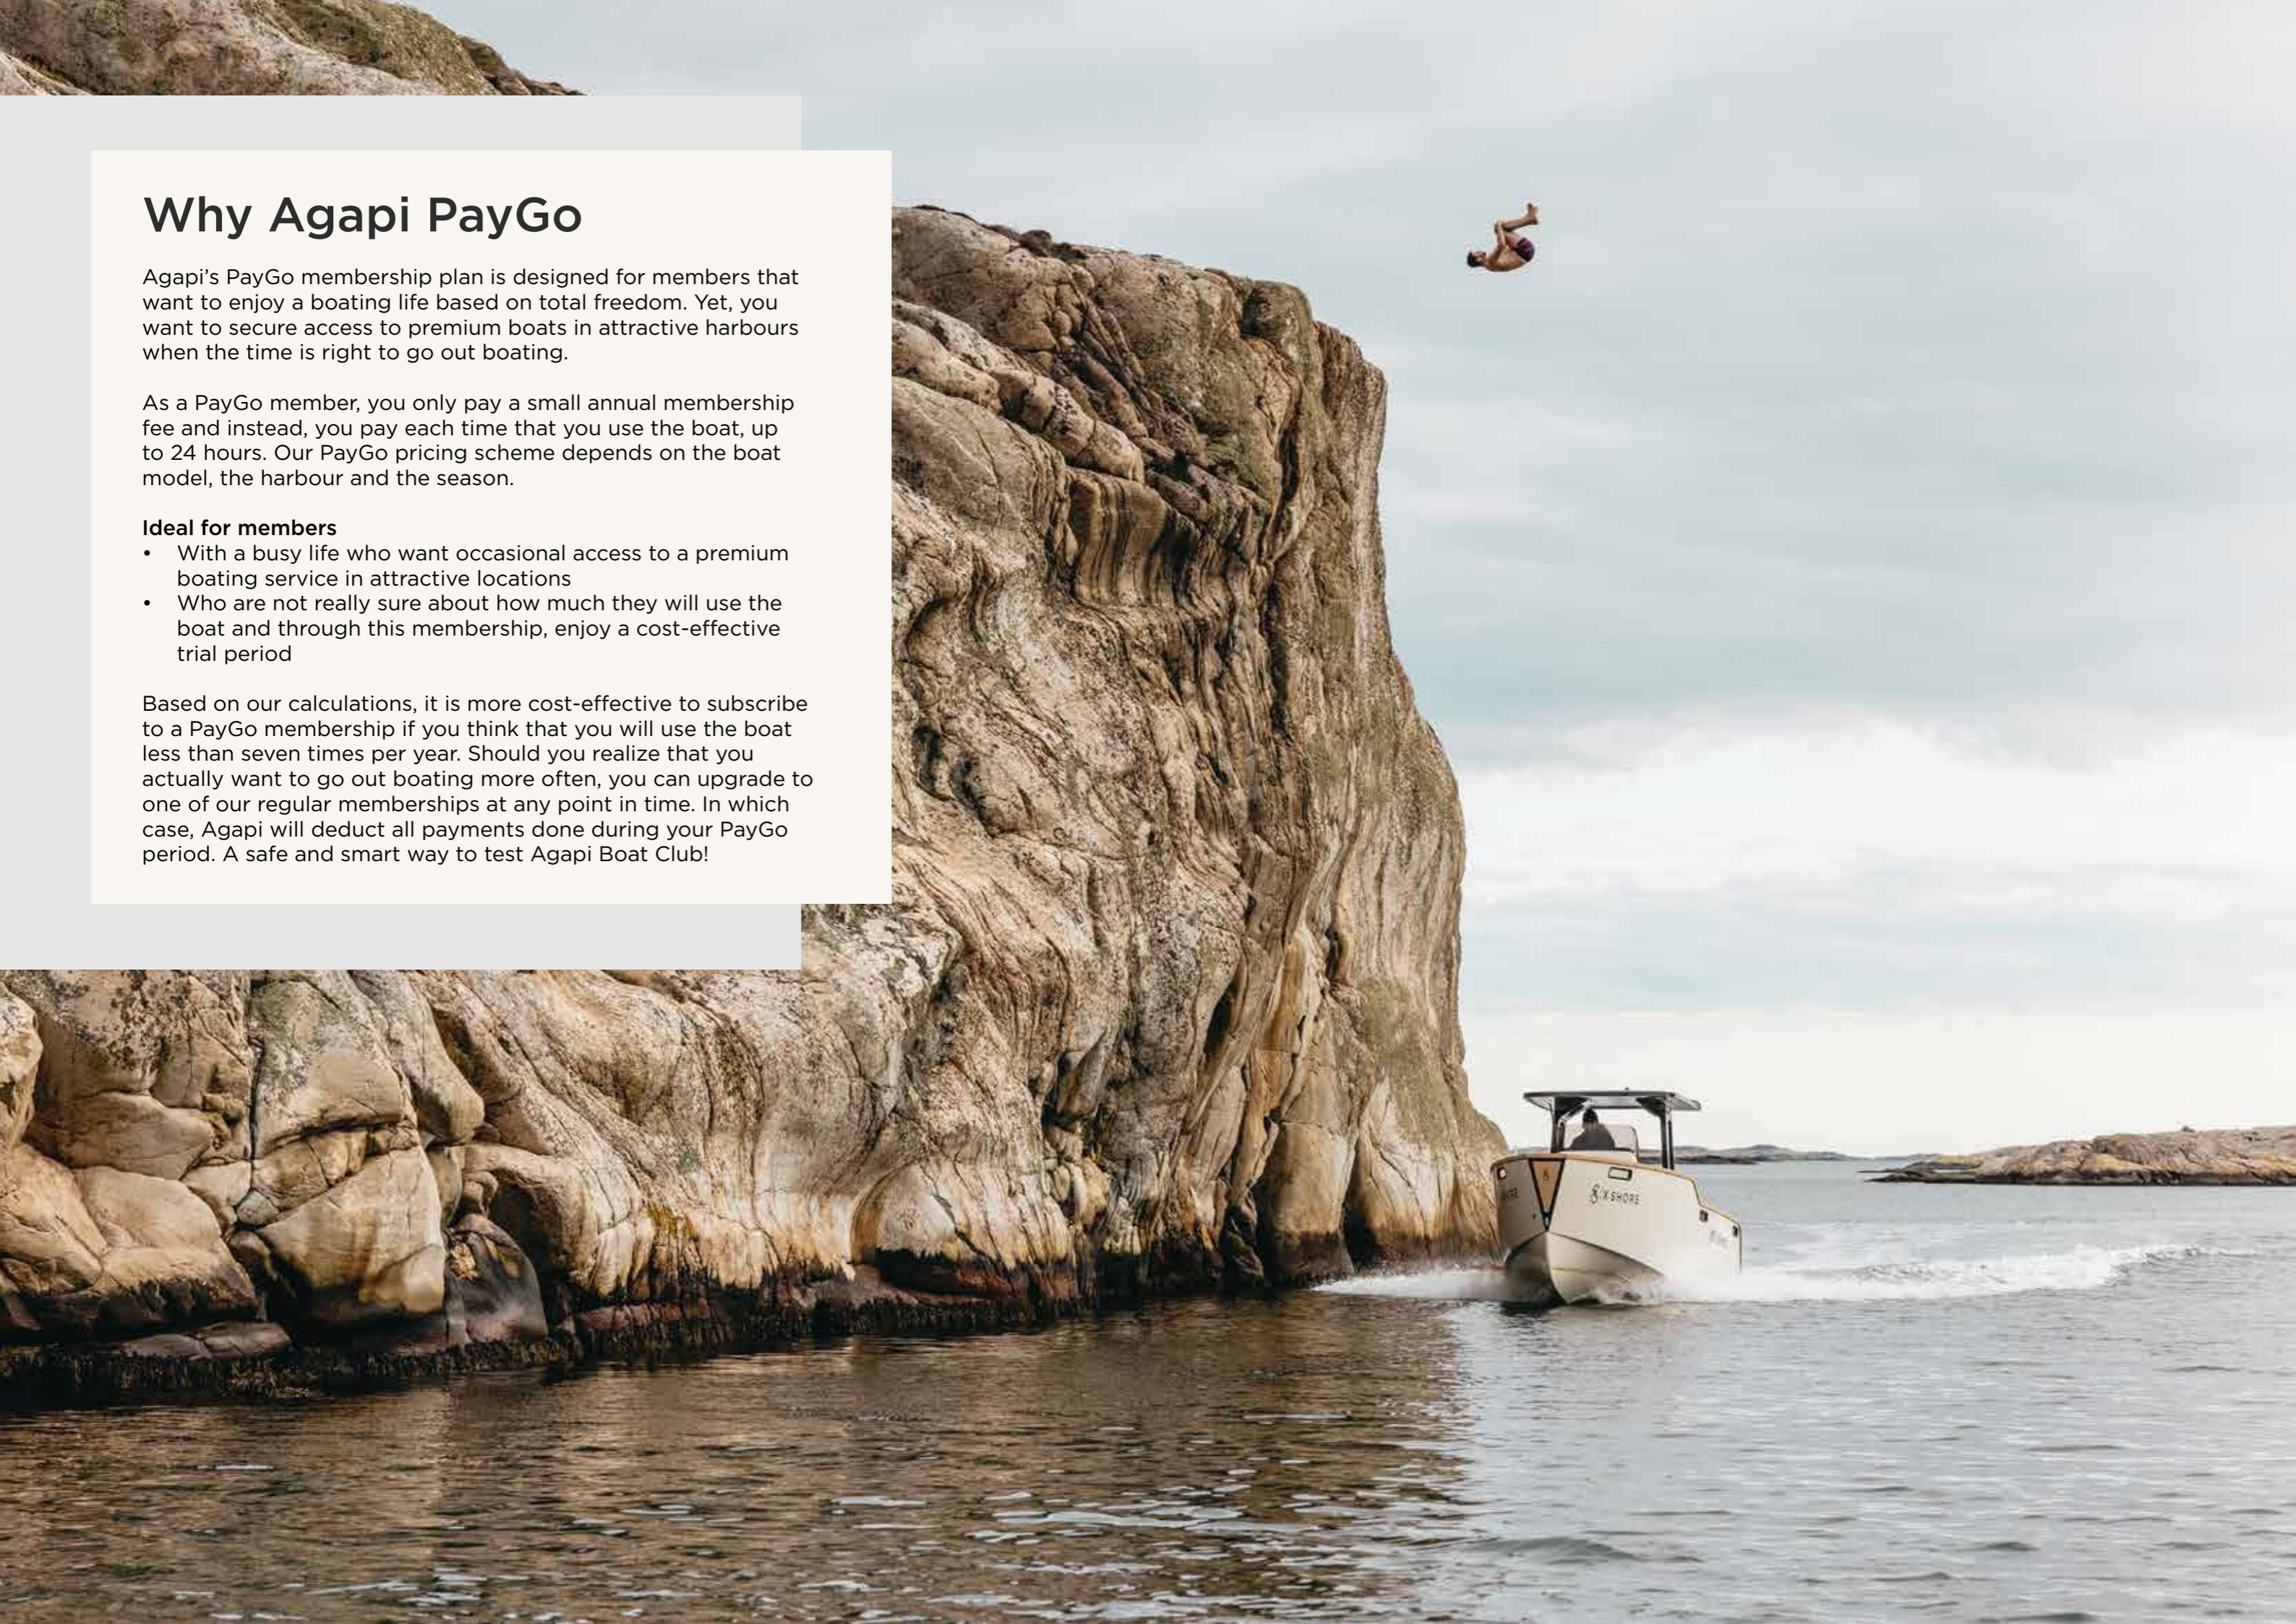

Agapi's PayGo membership plan is designed for members that want to enjoy a boating life based on total freedom. Yet, you want to secure access to premium boats in attractive harbours when the time is right to go out boating.

As a PayGo member, you only pay a small annual membership fee and instead, you pay each time that you use the boat, up to 24 hours. Our PayGo pricing scheme depends on the boat model, the harbour and the season.

### **Ideal for members**

- With a busy life who want occasional access to a premium boating service in attractive locations
- Who are not really sure about how much they will use the boat and through this membership, enjoy a cost-effective trial period

Based on our calculations, it is more cost-effective to subscribe to a PayGo membership if you think that you will use the boat less than seven times per year. Should you realize that you actually want to go out boating more often, you can upgrade to one of our regular memberships at any point in time. In which case, Agapi will deduct all payments done during your PayGo period. A safe and smart way to test Agapi Boat Club!

## How does it work

- 1 Onboarding**  
 Even though PayGo could be perceived as a high-end renting service, it is a part of the Agapi Boat Club routines and culture. The Agapi Way of respect and responsibility, requires that all members are onboarded and understand our values. The mandatory onboarding has a one-time fee of 495 Eur and includes a digital training, three hours at sea with an Agapi instructor and one hour introduction of our booking systems and routines.
- 2 Routines and procedures**  
 All routines for PayGo members are based on "The Agapi Way". The Agapi Way is the contractually binding set of rules and processes that must be well known, and followed, by every member of Agapi Boat Club.
- 3 Insurance**  
 All boats are insured by Agapi with an insurance excess per incident. This insurance excess can be reduced by purchasing an additional yearly fee depending on the chosen boat category.
- 4 Cash-points**  
 As a member you get a 10% discount if you buy Agapi cash-points (1 cash-point = 10 cents) of a value of 30.000 or more (3.000 EUR). These cash-points can be used for payment in all our regions and if not used during a year, the cash-points roll over to the next season. This is the most convenient way to use PayGo to avoid payments for each separate time.

BOAT CLUB

## Price list

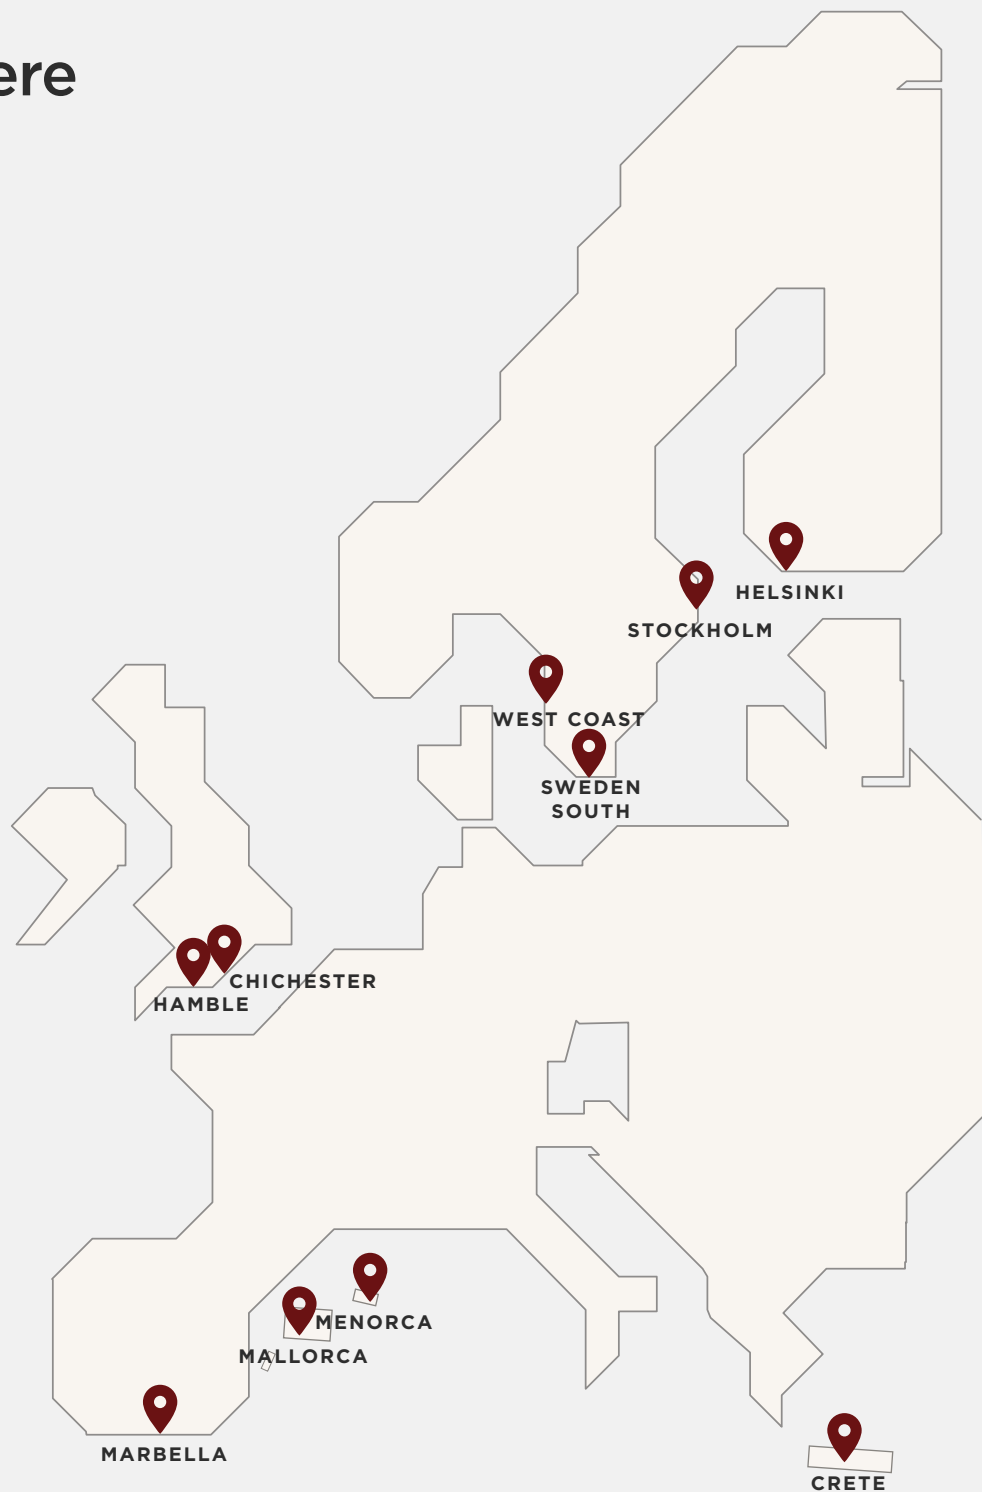

The price includes a 24h booking and depends on boat model, location as well as season. During off-season a 40% discount applies.

Below you will find the most common boats in our two largest regions as a reference. Once you book a specific boat model in a specific harbour, the booking system will prompt the exact price before you confirm your booking
