

Agapi Boat Club Region Helsinki

2022

A scenic view of a rocky coastline with a small boat moored in a cove and two people sitting on the rocks. The scene is bathed in the warm, golden light of late afternoon or early morning. The water is a deep blue, and the rocks are a mix of dark and light tones, with some areas reflecting the sunlight. In the background, several sailboats are visible on the water, and the sky is a pale, hazy blue.

Spontaneous booking - All memberships include an unlimited number of so-called spontaneous bookings. These are 1-24 hour bookings that you can make within 24 hours of departure if there are boats available. In practice, this gives you the opportunity to go boating every day all year round.

Planned day - Can be booked in advance to secure access to a specific date, harbour or boat model. Weekdays only

For members who only want to go boating during Monday-Friday, you can choose a membership at a reduced cost with 25% deduction

Number of Captains per membership

You can always add more Captains to your membership who can book and go out with a boat on their own. To qualify as a Captain in Agapi Boat Club, the person must be 18+ years old, be registered on the same address and have undergone our onboarding. If you are interested in our Corporate memberships with multiple captains, please contact your local office for more information.

Late check-out

A full Agapi boat day consists of 24 hours from 10:00 am to 10:00 am the following day. However, you can always request a late check-out of up to 2 hours if you need to extend your booking. A late check-out must be approved by Agapi staff and provided the boat is available for the requested times.

Fuelling

The boat must always be returned with at least 60% of its fuel level. If the "Refuelling" service is included in your membership, you can return the boat at a lower level, and the service team will refuel it for you. When you become a member you start off by topping your digital fuel account with 100 liters via debit / credit card.

Cleaning

The boats are regularly cleaned by Agapi Boat Club's staff to ensure the boats keep a high standard of cleanliness and to keep them free from, i.e. pollen, dust and algae. At check-out, each member is responsible for ensuring that they leave the boat in good condition. Cleaning equipment is available on board or on the pier. If the Cleaning service is included in your membership and chosen home harbour, you can leave the cleaning to the service team.

Water sports equipment

Agapi Boat Club has a varied range of water sports equipment which is divided into Water sports 1, including i.e. water skis, wakeboard, ring and paddle board.

Agapi Academy

Through Agapi Academy, you can book extra training on our boats with an experienced instructor (Boat PT). If you want to get a boating license or a coastguard certificate, we can arrange it through our partner network.

Engine hours

All memberships include 50 hours of engine usage. This is more than enough for most members considering that the normal usage for a private boat is approximately 20 hours (at Agapi Boat Club 25 hours). If the member reaches the 50 hours, a supplement is applied for an additional 10-hour engine interval (500 EUR). There are no restrictions on extra intervals of engine hours in the membership. On the other hand, we have a user guarantee for low usage. If the member has used the boat less than 5 days during its membership year, we offer a 25% discount on your next renewal fee.

Insurance

All boats are insured by Agapi with an insurance excess 40.000 SEK per incident. This insurance excess can be reduced by an additional yearly fee of:

Boat category B: 400 EUR

Boat category C: 500 EUR

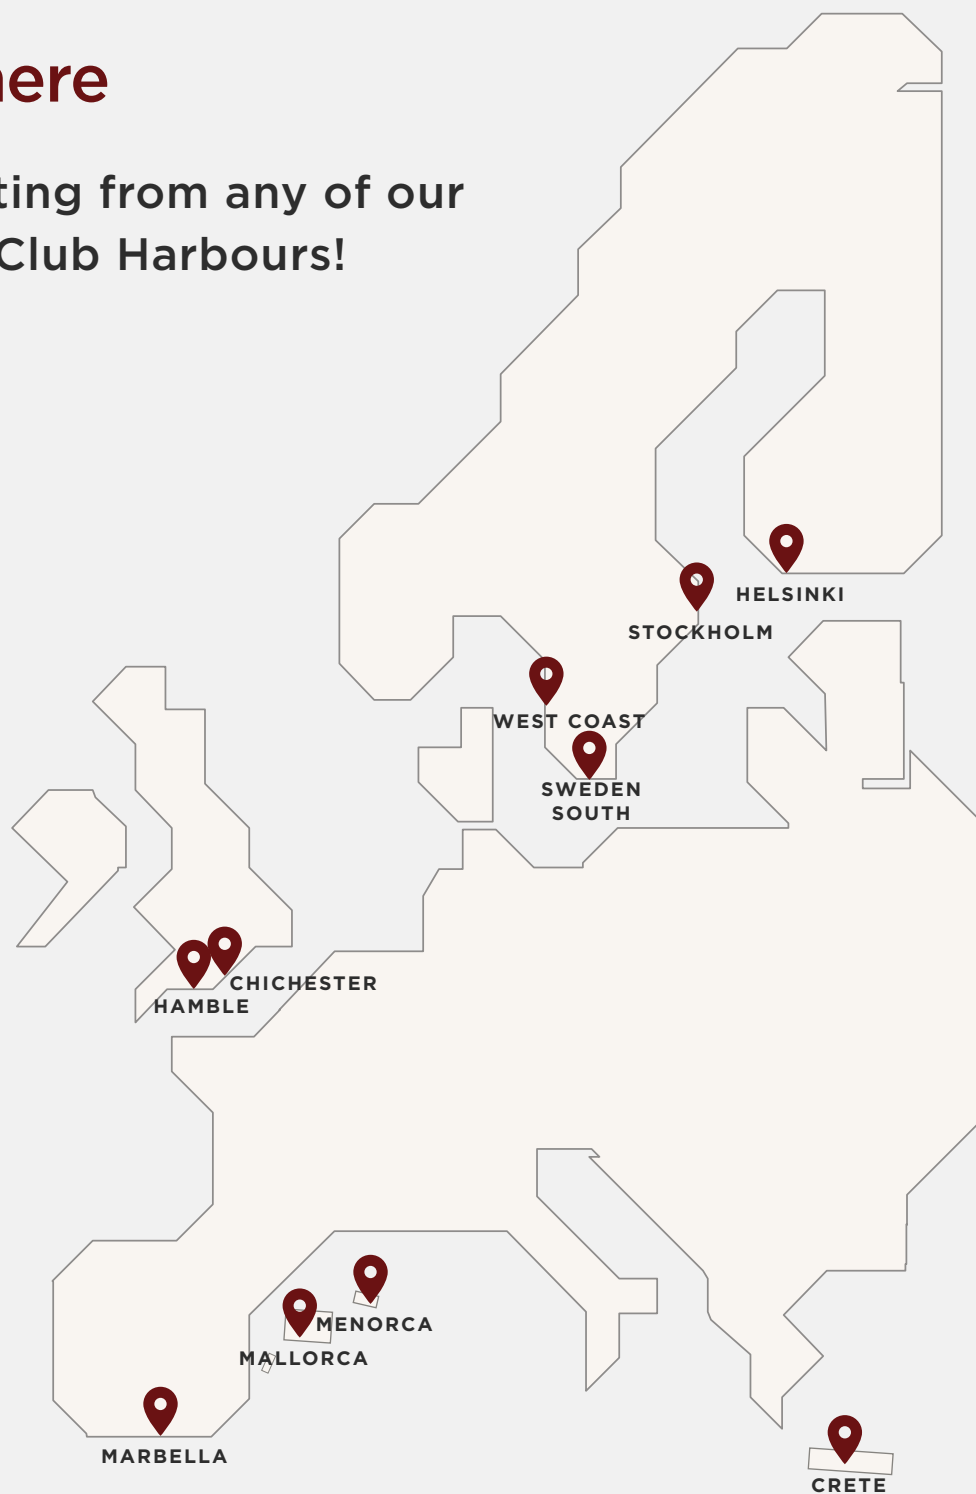

This option will reduce the excess to 900 EUR if you have a Power boat level 2 license and to 500 EUR if you have a Day skipper motor license or higher.

Business memberships or Investing in a Club boat

Agapi Boat Club offers companies to sign up for membership, please contact your local office for more information on this. You can also invest in one of our Club boats or activate your own boat in our fleet. This allows you to combine all the benefits of having your own boat with the advantages the Club offers and a hassle-free boating life.
