Definitions

Boats

The boats are divided into four categories A, B, C and D. Once you selected your boat category, you always have access to the boats in smaller categories. If you choose category C, for example, you will also have access to the boats in category A and B.

Onboarding

Onboarding is mandatory and includes at least 3 hours at sea with an Agapi instructor and 1 hour introduction of our booking systems and routines. You will also get access to our online training where you learn all about our values, routines and how the boats in your membership work.

Agapi Academy

Through Agapi Academy, you can book extra training on our boats with an experienced instructor (Boat PT). If you want to get a boating license or a coastguard certificate, we can arrange it through our partner network.

Booking

All memberships include an unlimited number of bookings that can be done in various ways:

Spontaneous booking - All memberships include an unlimited number of so-called spontaneous bookings. These are 1-24 hour bookings that you can make within 24 hours of departure if there are boats available. In practice, this gives you the opportunity to go boating every day all year round.

Planned day - Can be booked in advance to secure access to a specific date, harbour or boat model. This type of booking can be re-used once the trip is completed (or canceled) and thus your Planned day/s become available for re-booking. The number of Planned days included depends on the membership level.

Extra day - Extra days can be used to book longer periods, such as an entire week or to book several specific dates. It is important to note that when an Extra day has been used, it is considered consumed and cannot be re-used. The price for an Extra day depends on the boat model, season and region.

Monday-Friday memberships

We offer memberships plans from Monday to Friday. This is a perfect membership for people who only want to go out on weekdays. A price deduction of 25% will be made on the chosen membership.

Number of Captains per membership

You can always add more Captains to your membership who can book a boat. To qualify as a Captain in Agapi Boat Club, the person must have a nautical license, be +18 years old, be registered on the same address and have undergone our onboarding. If you are interested in our Corporate memberships with multiple captains, please contact your local office for more information.

Cleaning

If cleaning has not been ordered or is not included in your membership, at check-out each member is responsible for ensuring that the boat is left in good condition for the next member. Always make shore to wash the boat with fresh water at check out. If ordered or included in your membership plan, cleaning service includes general tidying, washing boat from salt or pollen, taking off or putting on covers, connecting shore power. It does not include safe mooring, locking and putting back key in key box, or leaving the boat in a negligent condition.

Fuelling

The boat must always be returned with at least 60% of its fuel level. If the "Refuelling" service is included in your membership, you can return the boat at a lower level, and the Agapi team will refuel it for you. As a new member you start off by topping your digital fuel account with 100 liters via debit/credit card.

Insurance excess partial waiver

The applicable insurance excess is as follows:

1. Accidental damage to the Club Boat
 - Own damage (Hull) including machinery/inboard/outboard: 1% of sum Insured/boat value, with a minimum of € 500.
 - Outboard motor of tender, navigational, electronic and other equipment: 1% of sum Insured/equipment value, with a minimum of € 500.
 - Personal Items: Nil.
2. Liability to others
 - Third Party Bodily Injury: Nil.
 - Third Party Property Damage: € 500.

The insurance excess can be reduced by purchasing the Excess Partial Waiver. The table below sets out the applicable insurance excess and excess partial waiver charges. In the event of a serious incident, an Agapi representative will contact you to compile a report. The table is inclusive of hull and propeller damage cover.

BOAT	PARTIAL EXCESS WAIVER FEE	EXCESS WITH WAIVER
Category B	EUR 500	EUR 400

Please note that the reduction does not apply to incidents considered gross negligence, e.g. mis-fuelling a boat, boating under the influence of alcohol or drugs, etc.. Incidents resulted from gross negligence result in the application of the normal excess fee.

Water sports equipment

Agapi Boat Club has a varied range of water sports equipment which is divided into Water sports 1, including i.e. water skis, wakeboard, ring, paddle board, and Water sports 2, including i.e. electric surfboard and SeaBob. Please consult with your local Agapi Boat Club Centre what equipment is available.

Engine hours

All memberships include 50 hours of engine usage. This is more than enough for most members considering that the normal usage for a private boat is approximately 20 hours (at Agapi Boat Club 25 hours). If the member reaches the 50 hours, a supplement is applied for an additional 10-hour engine interval (500-1000€). There are no restrictions on extra intervals of engine hours in the membership. On the other hand, we have a user guarantee for low usage. If the member has used the boat less than 5 days during its membership year, we offer a 25% discount on your next renewal fee.

Business memberships or Investing in a Club boat
