

An aerial photograph of a stunning coastal landscape. In the foreground, the water is a deep, dark blue. Moving towards the center, the water transitions into a vibrant turquoise color, revealing the sandy and rocky seabed below. A prominent white limestone cliff rises from the water's edge, topped with a dense forest of green trees. The sky above is a clear, bright blue.

Customize your membership plan

Start by choosing between our boat categories A,B and C based on the boat model and size that you prefer. Lower categories of boats are always included, and you can upgrade your membership plan at any point in time. Then customize your plan choosing between the different levels of services that we offer. If not already included, you can also add any of our optional services such as refuelling or water toys to enjoy your favorite sport at sea.

How do I book my boat trips?

All memberships include an unlimited number of bookings that can be done in various ways:

SPONTANEOUS BOOKING

All memberships include an unlimited number of so-called spontaneous bookings. These are 1-24 hour bookings that you can make within 24 hours of departure if there are boats available. In practice, this gives you the opportunity to go boating every day all year round.

PLANNED DAY

Can be booked in advance to secure a specific boat model, date or harbour. This type of booking can be re-used once the trip is completed (or canceled) and thus your Planned day becomes available for re-booking. The number of Planned days included depends on the membership level.

EXTRA DAY

Extra days can be used to book longer periods, such as an entire week or to book several specific dates. It is important to note that when an Extra day has been used, it is considered consumed and cannot be re-used. The price for an Extra day depends on the boat model, season and region.

Prices Unlimited memberships

All prices are quoted in EUR including VAT. Prices are subject to change. If this is a printed copy, please refer to our latest price list on our website www.agapiboatclub.com. When you select your boat category, you will have access to the boats in smaller categories.

Definitions

Boats

The boats are divided into four categories A, B, C and D. Once you selected your boat category, you always have access to the boats in smaller categories. If you choose category C, for example, you will also have access to the boats in category A and B.

Onboarding

Onboarding is mandatory and includes a practical test at sea with an Agapi instructor as well as a personal introduction meeting of our booking systems and routines. You will also get access to our online training where you learn all about our values, routines and how the boats in your membership work.

Booking

All memberships include an unlimited number of bookings that can be done in various ways:

Spontaneous booking - Unlimited memberships include an unlimited number of so-called spontaneous bookings. These are 1-24 hour bookings that you can make within 24 hours of departure if there are boats available. In practice, this gives you the opportunity to go boating every day all year round.

Planned day - Can be booked in advance to secure access to a specific date, harbour or boat model. This type of booking can be re-used once the trip is completed (or canceled) and thus your Planned day/s become available for re-booking. The number of Planned days included depends on the membership level.

Extra day - Extra days can be used to book longer periods, such as an entire week or to book several specific dates. It is important to note that when an Extra day has been used, it is considered consumed and cannot be re-used. The price for an Extra day depends on the boat model, season and region.

Monday-Friday memberships

We offer memberships plans from Monday to Friday. This is a perfect membership for people who only wants to go out on weekdays. A price deduction of 25% will be made on the chosen membership.

Number of Captains per membership

You can always add more Captains to your membership who can book and go out with a boat on their own. To qualify as a Captain in Agapi Boat Club, the person must be 18+ years old, be registered on the same address and have undergone our onboarding. If you are interested in our Corporate memberships with multiple captains, please contact your local office for more information.

Insurance and excess reduction

All boats are insured by Agapi with a standard insurance excess of 4.000 Eur per event. Members can subscribe to an excess reduction scheme for 250 Eur (PayGo) to 750 Eur (category D) depending on boat category and type of membership. Please refer to contract for more details.

Fuelling

The boat must always be returned with at least 60% of its fuel level. If the "Refuelling" service is included in your membership, you can return the boat at a lower level, and our team will refuel it for you. As a new member you start off by topping your digital fuel account with 100 liters via debit/credit card.

Cleaning

All members are expected to check-out leaving the boat in at least the same good condition or better as when checked-in for the next member. By cleaning we mean; pick up the garbage, clean any stains, put cushions back in position, splash the boat from the salt water. After splashing the boat from salt, there is no need to put the boat covers on. We also have a no-shoe policy on all our boats the whole year.

Water sports equipment

Agapi Boat Club has a varied range of water sports equipment which is divided into Water sports I and Water sports II. Please consult with your local Agapi representative which ones are included in each of the two categories. Water sports equipment must be booked in advanced and are subject to availability.

Agapi Academy

Through Agapi Academy, you can book extra training on our boats with an experienced instructor (Boat PT). If you want to get a boating license or a coastguard certificate, we can arrange it through our partner network.

Engine hours

All memberships include 50 hours of engine usage. This is usually enough for most members as the normal usage for a private boat is approximately 20 hours (at Agapi Boat Club 25 hours). If the member reaches the 50 hours, a supplement is applied for an additional 10-hour engine interval, 500€ for single and 1,000€ for twin engines. There are no restrictions on extra intervals of engine hours in the membership. On the other hand, we have a user guarantee for low usage. If the member has used the boat less than 5 days during its membership year, we offer a 25% discount on your next renewal fee.

Business memberships or Investing in a Club boat

Please contact your local office for more information on our Business memberships, if you are interested in investing in one of our Club boats or if you would like to include your own boat in our fleet.
