

# Boating in Jersey

## 2024

# Welcome to Jersey

Jersey is perfectly placed to explore the Channel Islands and French coast. Our little island offers so much for the adventure mariner, from finding a secluded bay or local reef or venturing to our other Islands and French coast, all within visible distance and roughly within one hour.

Our Axopar x Agapi Club Boats are moored on the Albert Pier berth, who's harbour lies within the town of St Helier and is only 20 min from the Airport. This prime berthing provides unrestricted access to the harbour anytime maximising club boats availability which ultimately gives you more time exploring some of the best cruising waters in Northern Europe.

## Some of our recommended routes

Les Minquiers

Beauport Bay

St Brelades and Ouasine Bay

Bouley Bay

# Our fleet

**Axopar 22 T-Top**  
Category A

**Axopar 29 Cross Cabin**  
Category B

**Axopar 25 Cross Top**  
Category B

**Axopar 37 Cross Cabin**  
Category C

<sup>1</sup> Masks with snorkels and foam floaters onboard.

<sup>2</sup> Jobe SeaScooter, Inflatable paddleboard, Jobe Towable, Jobe Water skis and Jobe Wakeboard.

## Customize your membership plan

Start by choosing between our boat categories based on the boat model and size that you prefer. Lower categories of boats are always included, and you can upgrade your membership plan at any point in time.

Then customize your plan choosing between the different levels of services that we offer. You can always purchase extra planned days, our excess reduction or an extra Captain to your membership plan. If not already included, you can further personalise your plan by adding extra services such as cleaning, fuelling, training sessions or a day out with a skipper.

## Terms and conditions

For more detailed understanding of how our memberships work, we invite you to refer to the "Definitions" section within this price list. For more detailed understanding of our Terms and Conditions, kindly contact our local sales representative, they will assist you in order to ensure a thorough understanding of all our memberships and of course, to choose the membership that best suits your needs. Prices are subject to change. If this is a printed copy, please refer to our latest price list on our website.

Skipper service	350	350	350

# Definitions

## Onboarding

Onboarding is mandatory at the start of a membership with Agapi and includes access to our E-learning platform, an introduction meeting to learn about our booking system and routines, and finally a practical test at sea with an Agapi instructor. If more onboarding sessions are necessary or a member wants to go out with new boat model or higher categories, a fee per onboarded person will be charged.

## Boats

The boats are divided into four categories A, B, C and D. Once you selected your boat category, you always have access to the boats in smaller categories. If you choose category C, for example, you will also have access to the boats in category A and B. Whenever you want to go out boating with a new boat or category, you will need to do the onboarding training for that specific boat model.

## Booking of boat trips

All memberships include booking of boat trips that can be done in various ways:

**Spontaneous booking** - Unlimited memberships include unlimited number of spontaneous bookings. These are 1-24 hour bookings that can be made within 24 hours of departure if boats are available. In practice, this gives you the opportunity to go boating every day all year round.

**Planned day** - The number of Planned days included depends on the membership plan. Can be booked in advance to secure access to a specific date, harbour or boat model. This type of booking can be re-used once the trip is completed or canceled and thus your Planned day becomes available for re-booking.

**Extra day** - Can be used to book longer periods, such as an entire week or to book several specific dates. When an Extra day has been used, it is considered consumed and cannot be re-used. The price for an Extra day depends on the boat model, season and region.

## Global boating roaming

Access to boating from all our harbours globally. Some limitations and conditions may apply, depending on your membership plan.

## PayGo memberships

PayGo memberships allow up to 5 bookings per region and maximum 2 consecutive booking days. Any unused boat trip credit can be transferred to the following calendar year. Prices per boat trip include a 24h booking. As a PayGo member, you can also book a boat in other regions (outside your Member Club). In that case, local fare and rules will apply and you will be asked to pay locally your boat bookings.

## Business memberships

An Agapi Business membership combines boating with business in a unique way. Tailored for corporate boating needs, this unique plan offers on-demand access to our fleet and includes the onboarding, unlimited spontaneous bookings, excess reduction, cleaning services, networking events and personal service when booking a boat and when checking-in/out. You can always add more members to your Business membership, they must be from the same company and a maximum of 5 extra members are allowed in the same membership. Please do not hesitate to ask for an offer.

## Monday-Friday memberships

Monday-Friday memberships are ideal for members who only want to go on weekdays. A price deduction will be made on the chosen membership.

## Extra Captain in family

You can always add more Captains to your membership who can book and go out with a boat on their own. To qualify as a Captain in Agapi Boat Club, the person must be +18 years old, be registered on the same address and have undergone our Onboarding. One (1) Planned Day is included for the Extra Captain but not global roaming.

## Insurance and excess reduction

Agapi has a global agreement in which all boats are insured by Agapi with a standard insurance excess of 4,000 EUR per incident. Members can subscribe to an excess reduction scheme ranging from 250 to 750 EUR depending on boat category and type of membership. For detailed information on insurance excess and reduction fees applicable in your area, please contact our local office.

## Fuelling

The boat must always be returned with at least 60% of its fuel level. If the "Refuelling" service is included in your membership, you can return the boat at a lower level, and our team will refuel it for you, but you must inform us locally. New members must start-off by topping the digital fuel account with 100 litres via debit/credit card.

## Cleaning

Members are expected to Check-out leaving the boat in at least the same good condition or better as when Checked-in for the next member. By cleaning we mean; pick up the garbage, clean any stains, put equipment and cushions back in their original position and splash the boat with fresh water. Contact your local office for routines such as boat covers, pets and shoes onboard.

## Water sports equipment

We offer a varied range of water sports equipment which is divided into Water toys I and Water toys II. Please consult with your local office which ones are included in each of the two categories. Water sports equipment must be booked in advanced and are subject to daily availability.

## Agapi Academy

Through Agapi Academy, you can book extra training on our boats with an experienced instructor. If you want to get a formal boating education, please contact us and we will help you through our partner network.

## Engine hours

All memberships include 50 hours of engine usage. This is usually enough for most members as the normal usage for a private boat is approximately 20 hours (at Agapi 25 hours). If the member reaches the 50 hours, a supplement is applied for an additional 10-hour engine interval, the fee varies for single or twin engine boats. There are no restrictions on extra intervals of engine hours in the membership. On the other hand, we have a user guarantee for low usage. If the member has used the boat less than 5 days during its membership year, we offer a 25% discount on your next renewal fee.

## Investing in a Club boat

Please contact your local office if you are interested in investing in one of our Club boats or if you would like to include your own boat in our fleet.
