

Boating in Bonaire 2024

Welcome to Bonaire!

Bonaire is a paradise for boating enthusiasts, offering pristine waters, vibrant marine life, and breathtaking landscapes. With Agapi Boat Club, you can explore the island's hidden gems and stunning coastal beauty directly from our location at the marina of Plaza Beach and Dive Resort. Imagine walking from your apartment or penthouse straight to the marina dock and hopping on board your luxurious boat.

The island's marine park, one of the best- preserved in the world, provides a sanctuary for divers and snorkelers to witness stunning underwater biodiversity.

The coastline is dotted with secluded bays and fascinating sites. From the famous 1000 Steps, where many turtles can be found, to the tranquil shores of Klein Bonaire, a pristine, uninhabited islet perfect for snorkeling and sunbathing, Bonaire offers diverse experiences for every boating enthusiast. The adventure starts here!

Customize your membership plan

Start by choosing a boat category based on the boat model and size that you prefer. Lower categories are always included, and you can upgrade your membership at any point in time. Then customize your plan choosing between the different levels of services that we offer. You can always purchase extra planned days, our excess reduction or an extra Captain to your membership. If not already included, you can further personalise your plan by adding extra services such as cleaning, fuelling, training sessions or a day out with a skipper.

Terms and conditions

For more detailed understanding of how our memberships work, we invite you to refer to the "Definitions" section within this price list. For our Terms and Conditions, kindly contact our local sales representative, they will assist you to ensure a thorough understanding of all our memberships and of course, to choose the one that best suits your needs. Prices are subject to change. If this is a printed copy, please refer to our latest price list on our website.

Definitions

Onboarding

Onboarding is mandatory at the start of a membership with Agapi and includes access to our E-learning platform, an introduction meeting to learn about our booking system and routines, and finally a practical test at sea with an Agapi instructor. If more onboarding sessions are necessary or a member wants to go out with new boat model or higher categories, an extra fee per person will be charged.

Boats

The boats are divided into four categories A, B, C and D. Once you selected your boat category, you always have access to the boats in smaller categories. If you choose category C, for example, you will also have access to the boats in category A and B. Whenever you want to go out boating with a new boat or category, you will need to do the onboarding training for that specific boat model.

Booking of boat trips

All memberships include booking of boat trips that can be done in various ways:

Spontaneous booking - Unlimited memberships include unlimited number of spontaneous bookings. These are 1-24 hour bookings that can be made within 24 hours of departure if boats are available. In practice, this gives you the opportunity to go boating every day all year round.

Planned day - The number of Planned days included depends on the membership plan. Can be booked in advance to secure access to a specific date, harbour or boat model. This type of booking can be re-used once the trip is completed or canceled and thus your Planned day becomes available for re-booking.

Extra day - Can be used to book longer periods, such as an entire week or to book several specific dates. When an Extra day has been used, it is considered consumed and cannot be re-used. The price for an Extra day depends on the boat model, season and region.

Global boating roaming

Access to boating from all our harbours globally. Some limitations and conditions may apply, depending on your membership plan.

PayGo memberships

PayGo memberships allow up to 5 bookings per region and maximum 2 consecutive booking days. Any unused boat trip credit can be transferred to the following calendar year. Prices per boat trip include a 24h booking. As a PayGo member, you can also book a boat in other regions (outside your Member Club), local fare and rules will apply and you will be asked to pay locally your boat bookings.

Business memberships

An Agapi Business membership combines boating with business in a unique way. Tailored for corporate boating needs, this unique plan offers on-demand access to our fleet and includes the onboarding, unlimited spontaneous bookings, excess reduction, cleaning and fuelling services, networking events and personal service when booking a boat and when checking-in/out. You can always add more members to your Business membership, they must be from the same company and a maximum of 5 extra members are allowed in the same membership.

Monday-Friday memberships

Monday-Friday memberships are ideal for people who only

wants to go out on weekdays. A price deduction will be made on the chosen membership.

Extra Captain in family

You can always add more Captains to your membership who can book and go out with a boat on their own. To qualify as a Captain in Agapi Boat Club, the person must be +18 years old, be registered on the same address and have undergone our Onboarding. The Extra Captain includes one (1) Planned Day but not Global roaming.

Insurance and excess reduction

All boats are insured by Agapi with a standard insurance excess per incident. Members can subscribe to an excess reduction scheme depending on boat category and type of membership. Note that the reduction doesn't apply to events considered gross negligence, e.g. mis-fuelling a boat, boating under the influence of alcohol or drugs, etc. Incidents from gross negligence result in the application of the normal excess fee. Please contact your local office for more information.

Fuelling

The boat must always be returned with at least 60% of its fuel level. If the "Refuelling" service is included in your membership, you can return the boat at a lower level, and our team will refuel it for you, but you must inform us locally. New members must start-off by topping the digital fuel account with 100 litres via debit/credit card.

Cleaning

Members are expected to Check-out leaving the boat in at least the same good condition or better as when Checked-in for the next member. By cleaning we mean; pick up the garbage, clean any stains, put cushions and equipment used back in their original position and splash the boat with fresh water. Contact your local office for routines such as boat covers, pets and shoes onboard.

Water sports equipment

We offer a varied range of water sports equipment which is divided into Water toys I and Water toys II. Please consult with your local office which ones are included in each of the two categories. Water sports equipment must be booked in advanced and are subject to daily availability.

Agapi Academy

Through Agapi Academy, you can book extra training on our boats with an experienced instructor. If you want to get a boating license or a coastguard certificate, we can arrange it through our partner network.

Engine hours

All memberships include 50 hours of engine usage. This is usually enough for most members as the normal usage for a private boat is approximately 20 hours (at Agapi Boat Club 25 hours). If the member reaches the 50 hours, a supplement is applied for an additional 10-hour engine interval, the fee varies for single or twin engine boats. There are no restrictions on extra intervals of engine hours in the membership. On the other hand, we have a user guarantee for low usage. If the member has used the boat less than 5 days during its membership year, we offer a 25% discount on your next renewal fee.

Include your boat in our fleet or investing in a Club boat

Please contact your local office if you would like to include your own boat in our fleet or if you are interested in investing in one of our Club boats.
