Further out, it transitions into a vibrant turquoise color, revealing the sandy and rocky seabed. A prominent white limestone cliff rises from the water, topped with a dense forest of green trees. Definitions

Onboarding

The Onboarding is mandatory and a core principle of our Club where you learn all about “The Agapi Way”, our routines and values. You will gain access to our e-learning platform and our staff will support with any question you might have. Before going out boating for the first time, we will meet with you for a brief practical training onboard, based on your previous nautical experience. We offer extra sessions if needed.

Boats

All boats are divided into four categories A, B, C and D. Once you selected your boat category, you will also have access to the boats in the smaller ones. If you choose category C, for example, you will also have access to the boats in category A and B. Skipper service is available, and in some cases may be required for our larger boat models or if a member lacks sufficient boating experience.

Boat availability

Our smart booking system and optimized member-to-boat ratio ensure you get on the water when you want—even for last-minute Spontaneous trips. For special occasions, a bit of planning helps secure your ideal day, time and boat. If a slot is full, our App’s “Waiting List” feature alerts us instantly so we can help adjust or find alternatives. Members can always buy extra Planned days or Single boating days if needed.

Booking of boat trips

Spontaneous booking - Unlimited memberships include unlimited number of Spontaneous bookings. Bookings made within 24 hours of departure.

Planned day - Bookings made in advanced to secure a specific date, boat model or harbour. This type of booking can be re-used once the trip is completed or canceled and thus your Planned day becomes available again.

Extra day - Can be used to book longer periods, such as an entire week or to book several specific dates. This type of booking cannot be re-used, it is considered consumed once the trip is completed. The price for an Extra day depends on the boat model, season and location.

Insurance and excess reduction

All boats are insured by Agapi with a standard insurance excess per incident. Members can subscribe to our excess reduction option. Note that the reduction doesn’t apply to incidents considered gross negligence, e.g. mis-fuelling a boat, boating under the influence of alcohol or drugs, etc. Incidents from gross negligence result in the application of the normal excess fee. Please contact our local office for more information and refer to contract for more details.

Fuelling

The boat must always be returned with at least 60% of its fuel level. If the “Refuelling” service is included in your membership, you can return the boat at a lower level, and our team will refuel it for you, but you must inform us locally. New members must start-off by topping the digital fuel account with 100 litres via debit/credit card.

Cleaning

Members are expected to Check-out leaving the boat in at least the same good condition or better as when Checked-in for the next member. By cleaning we mean; pick up the garbage, clean any stains, put cushions and equipment used back in their original position and splash the boat with fresh water. Contact your local office for routines such as boat covers, pets and shoes onboard.

Water sports equipment

In some harbours we offer a varied range of water sports equipment, please consult with our local office. This service must be booked in advanced and is subject to availability.

Agapi Academy

Through Agapi Academy, you can book extra training on our boats with an experienced instructor. If you want to get a boating license or a coastguard certificate, we can arrange it through our partner network.

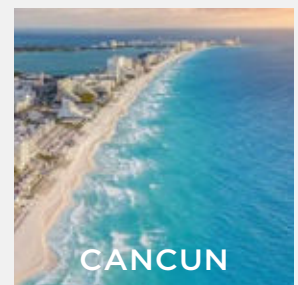

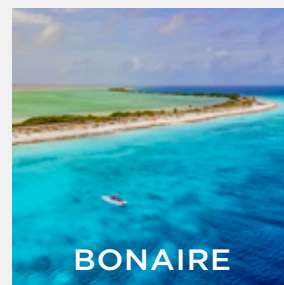

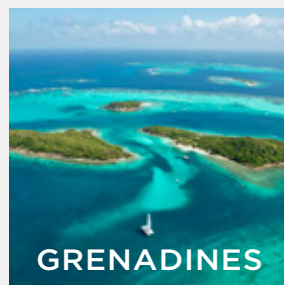

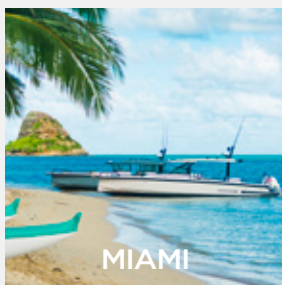

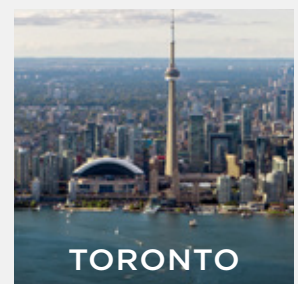

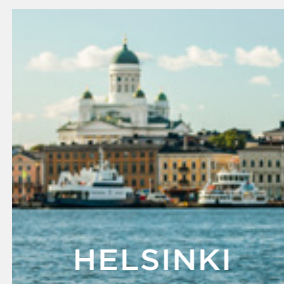

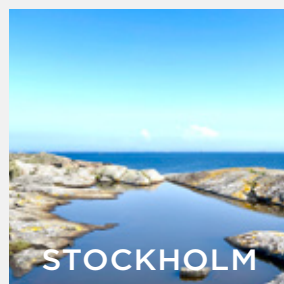

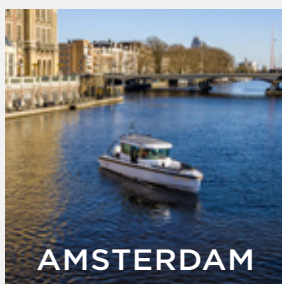

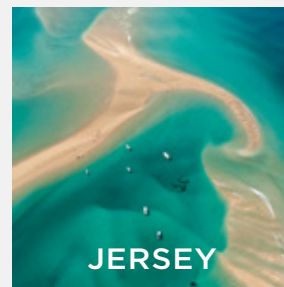

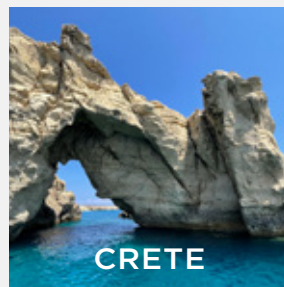

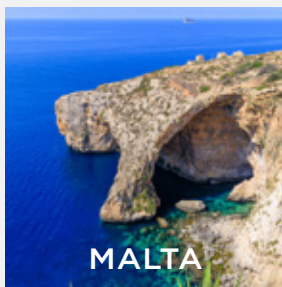

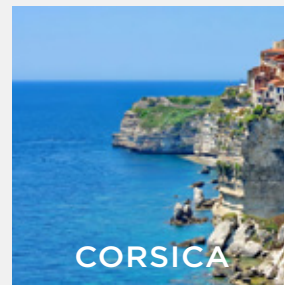

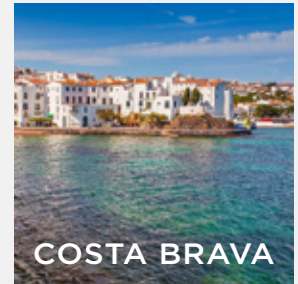

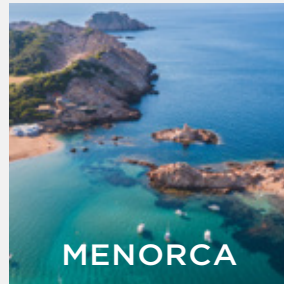

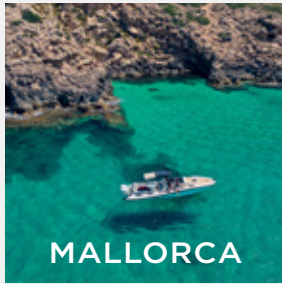

Engine hours

Agapi Boat Club offers unlimited boating with the first 50 engine hours included—more than enough for nearly all members (fewer than 1% exceed this limit). Once the 50 hours is reached, a fee applies per additional 10-hour interval. If a member’s boating needs change and they use the boat less than expected, we proactively explore more convenient membership options to ensure the best fit.

Smart boat ownership

Please contact our local office if you are interested in investing in one of our Club boats or if you would like to include your own boat in our fleet.

Unlimited boating from any of our Agapi Boat Club locations. Zero hassle.
